

Model-based and Parzen window primary position detection probability
by offset and effective magnitude

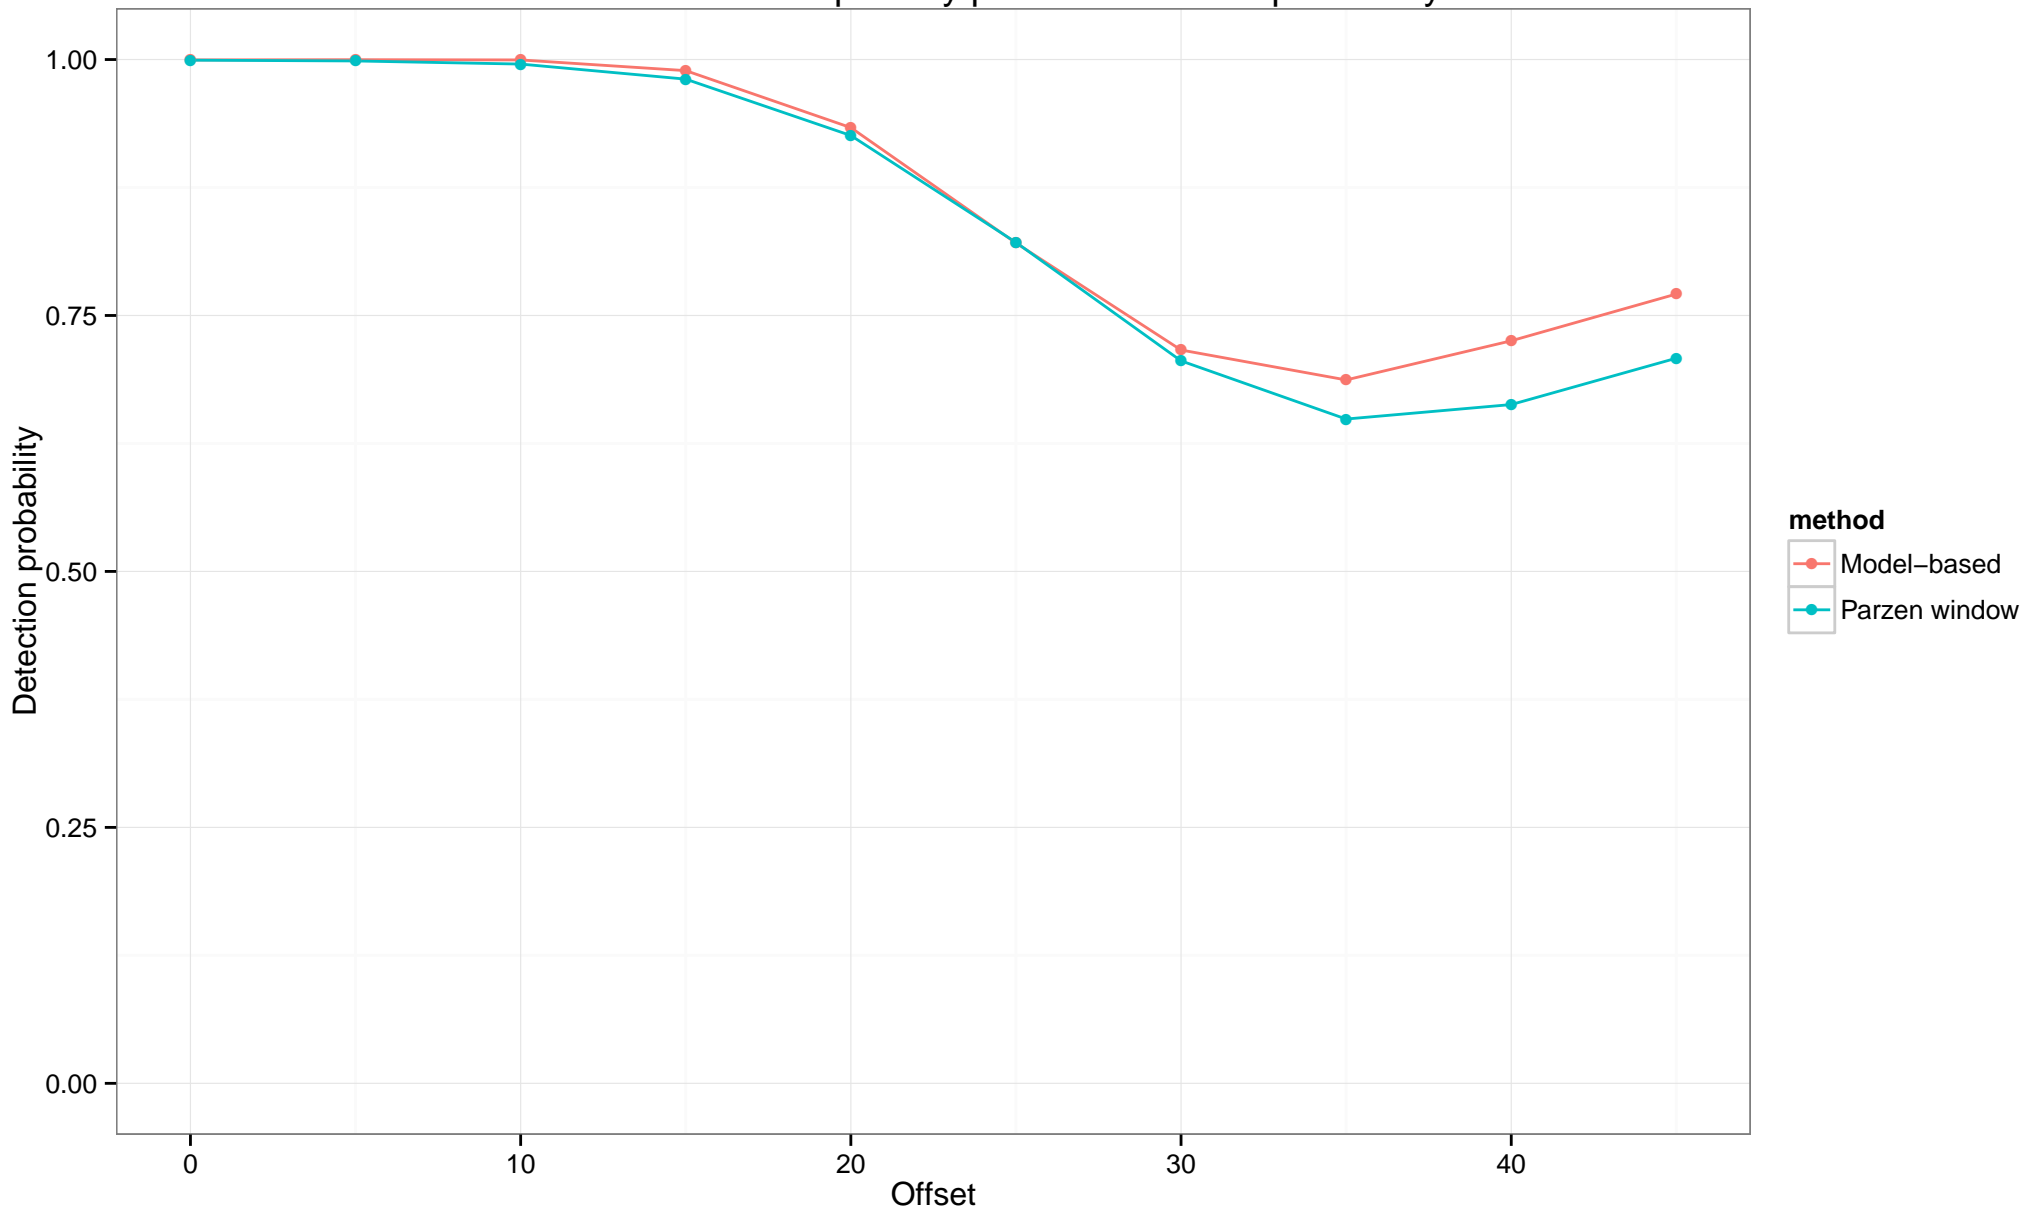

Model-based and Parzen window primary position detection probability vs. coverage

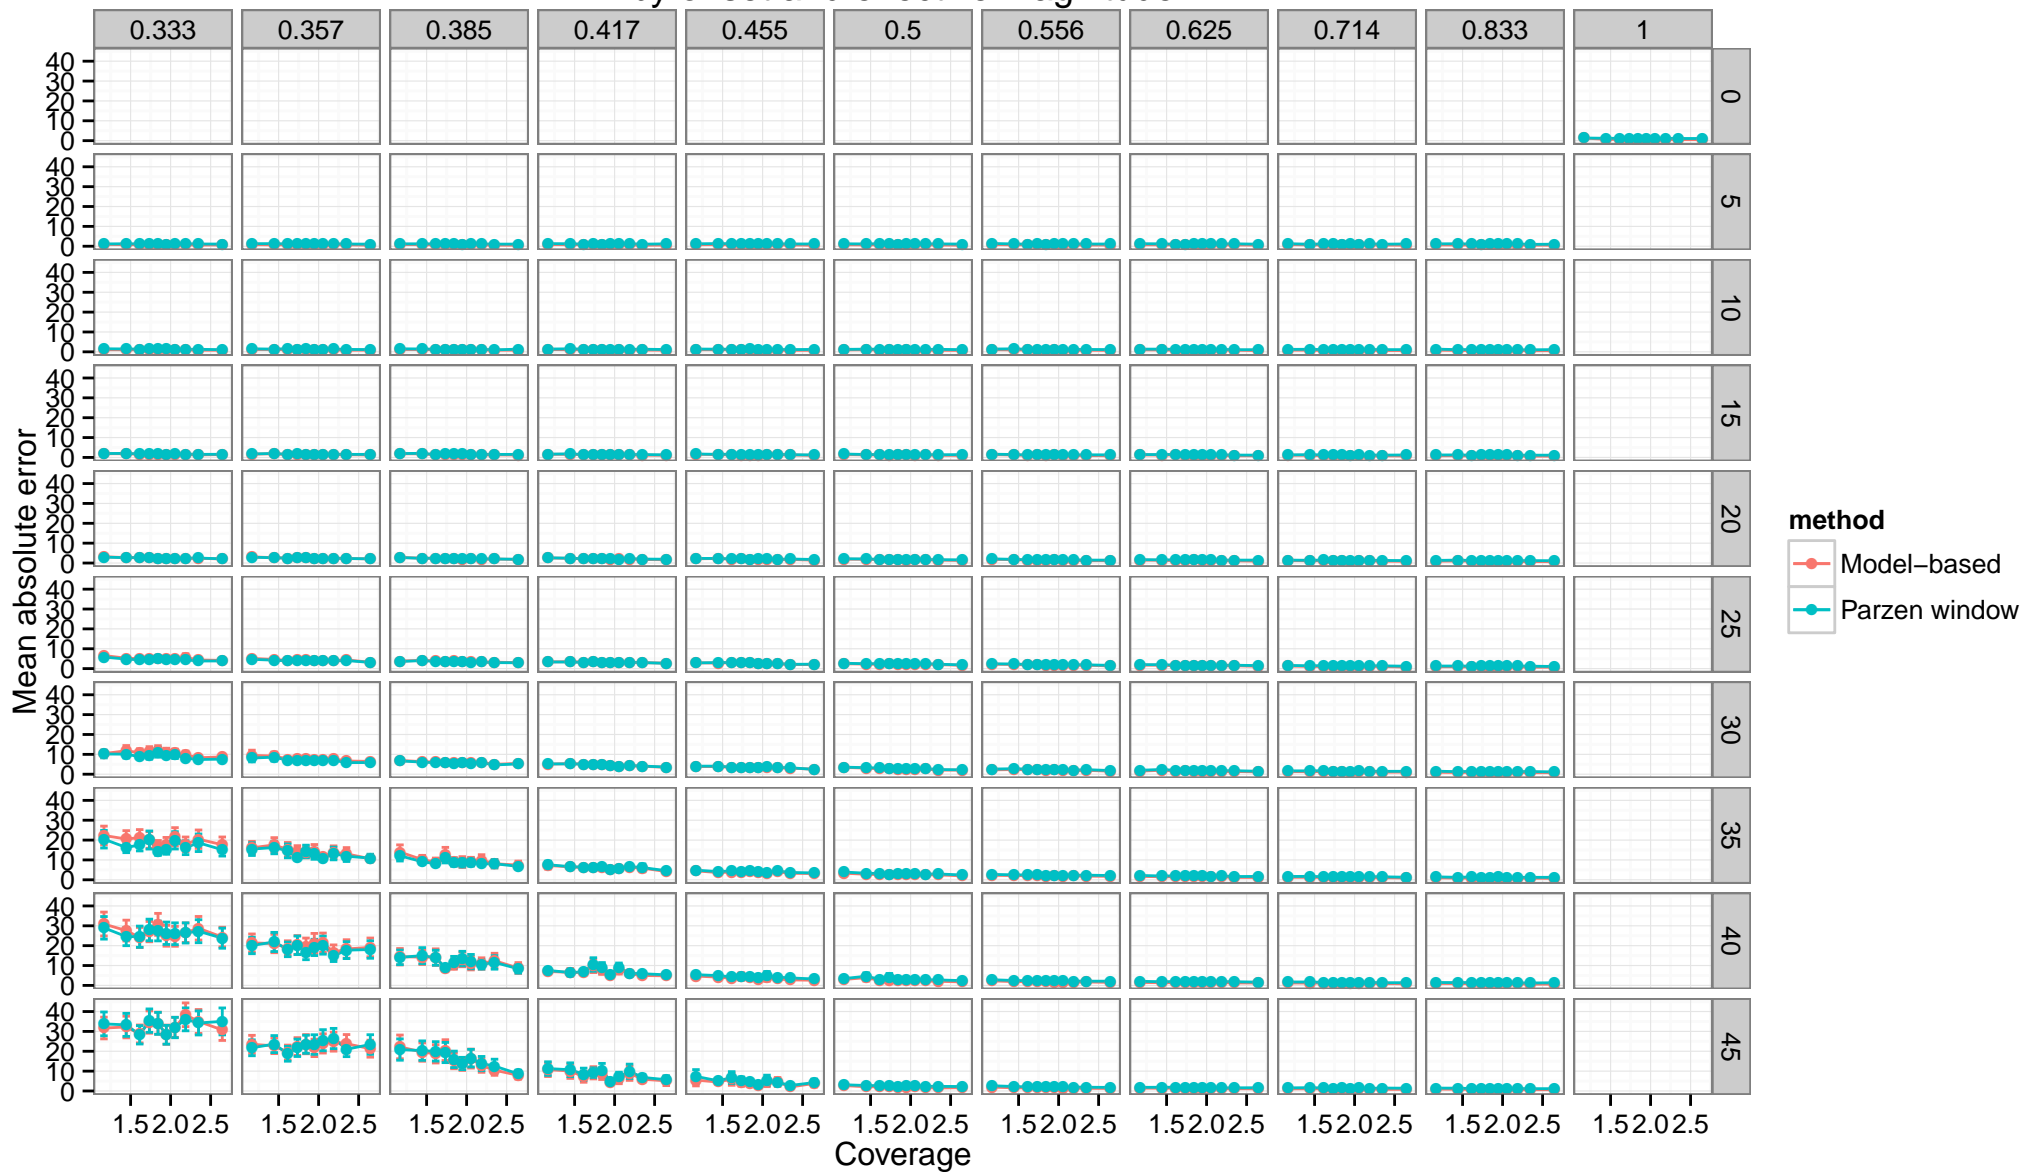

Model-based and Parzen window primary position detection probability vs. effective magnitude

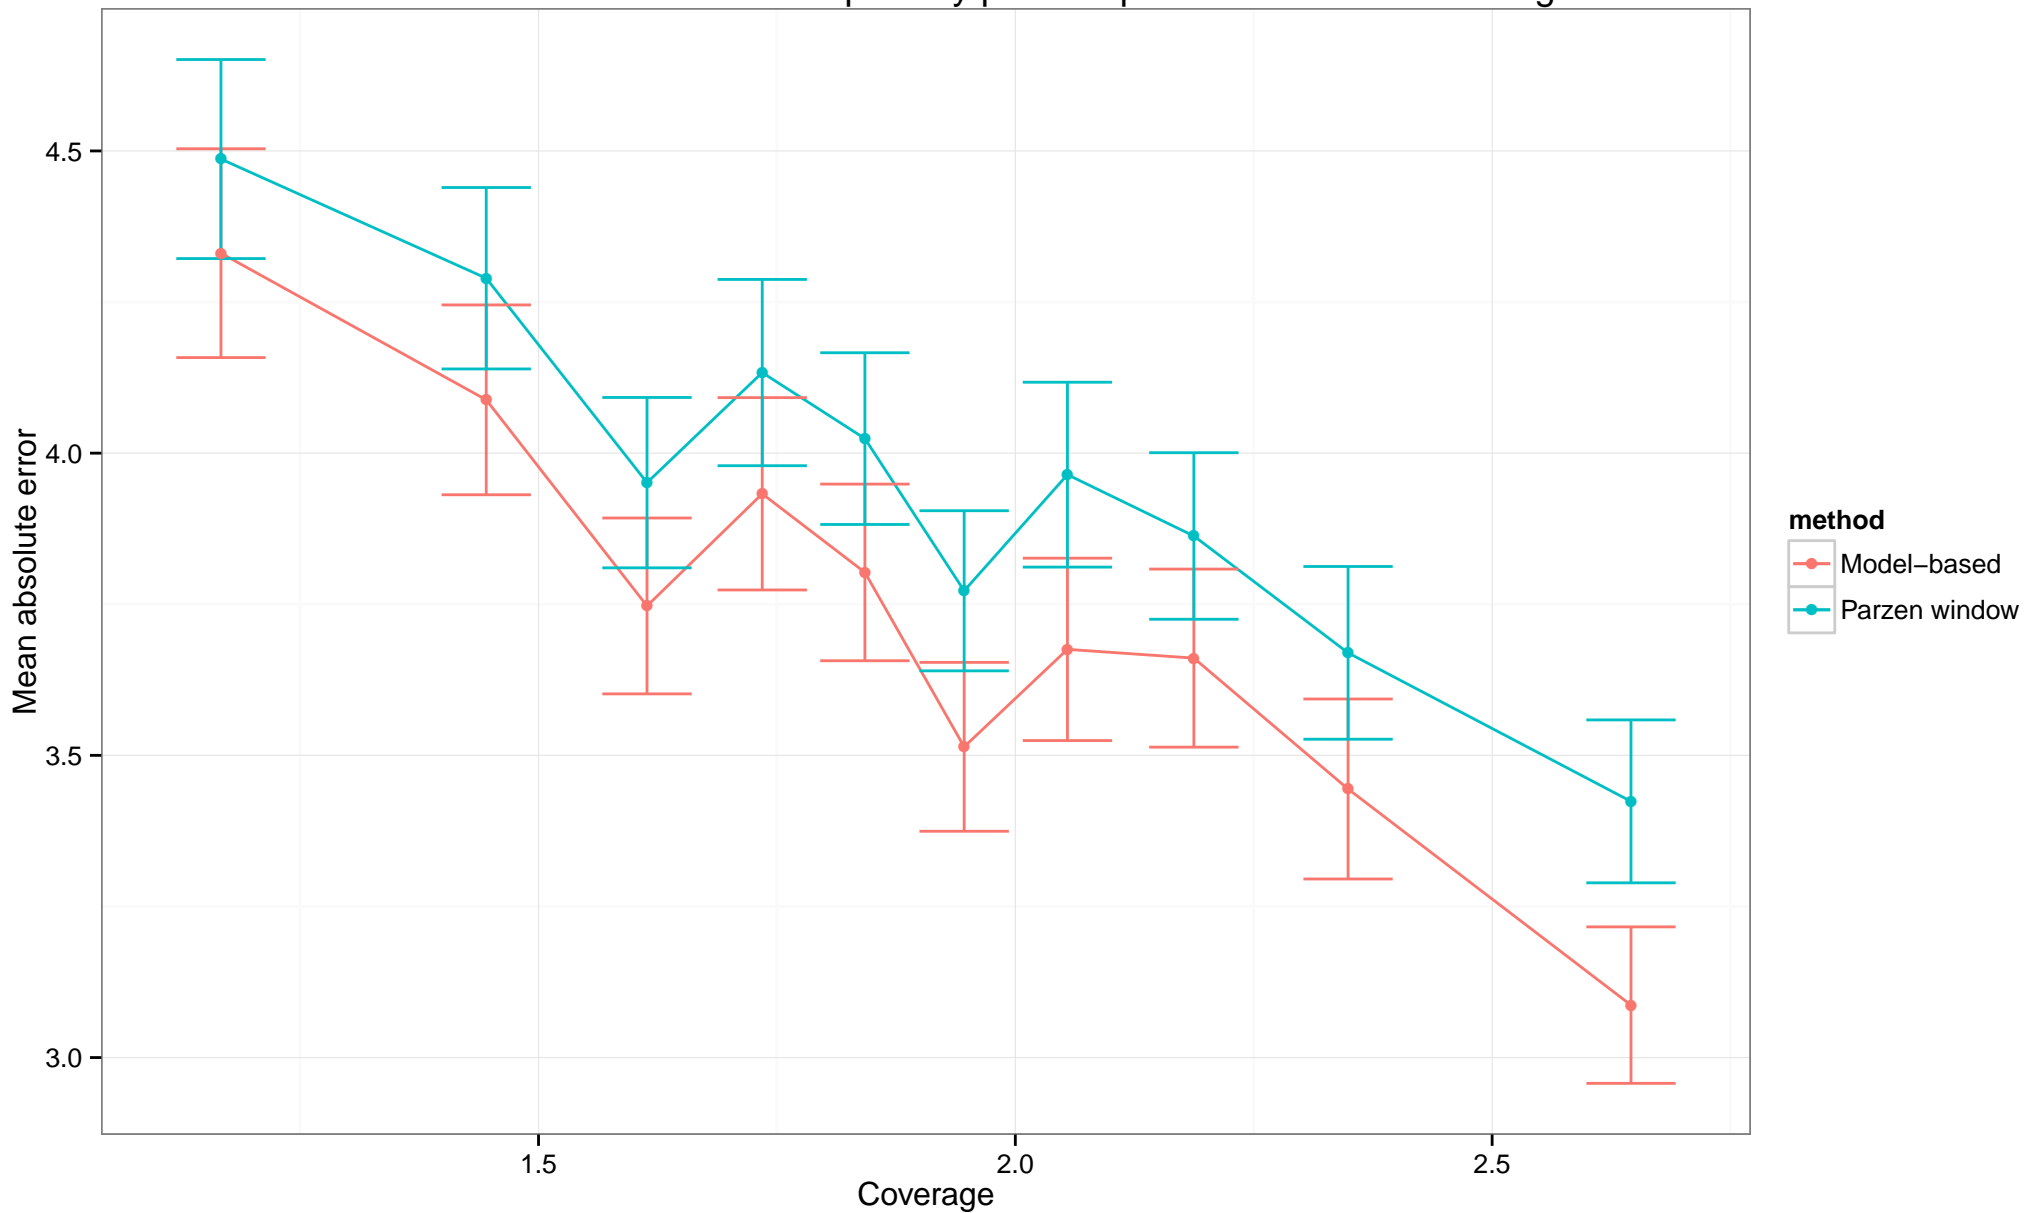

Model-based and Parzen window primary position detection probability vs. offset

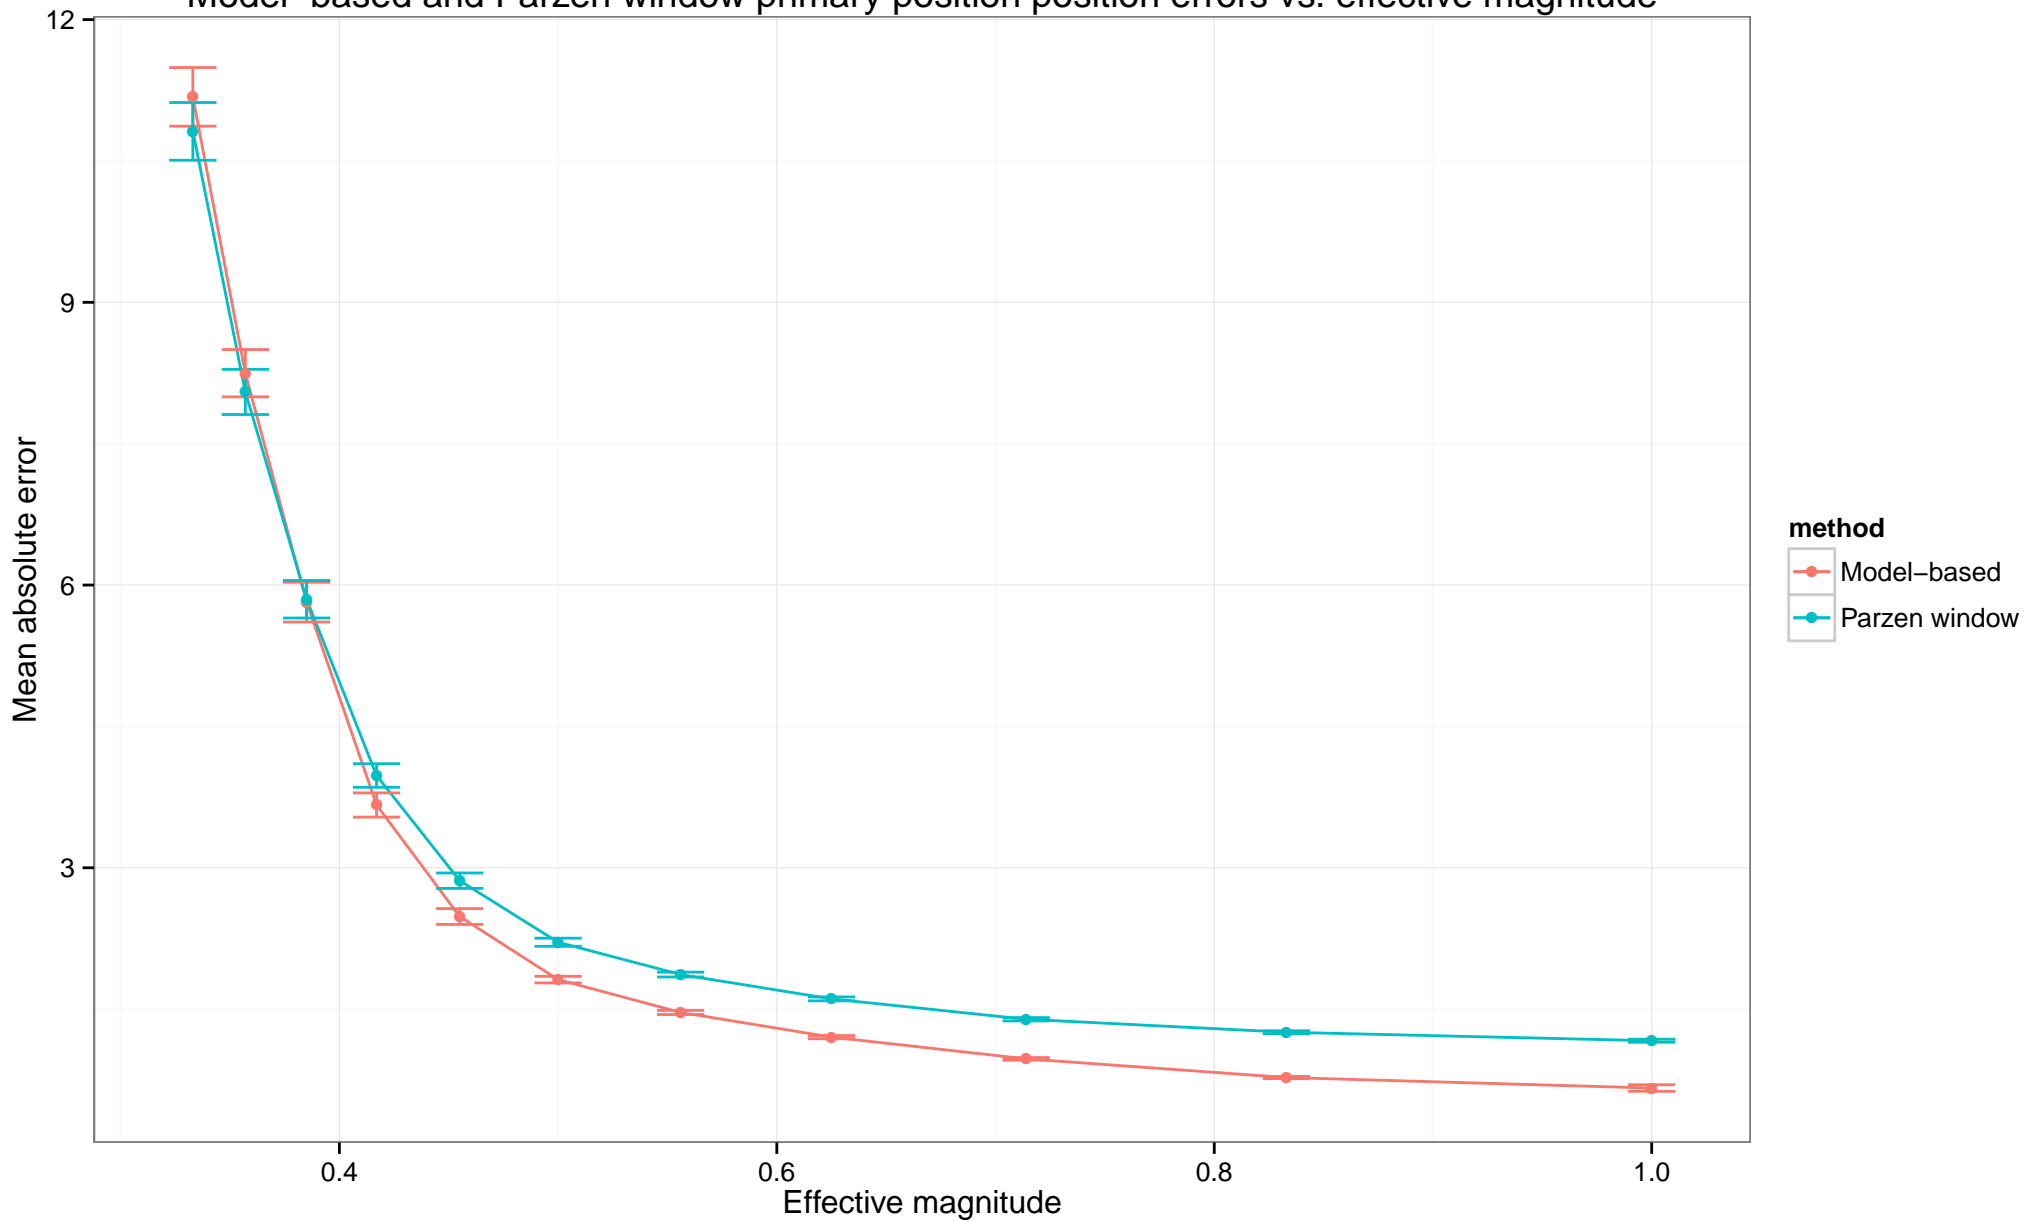

Model-based and Parzen window primary position errors
by offset and effective magnitude

Model-based and Parzen window primary position position errors vs. coverage

Model-based and Parzen window primary position position errors vs. effective magnitude

Model-based and Parzen window primary position position errors vs. effective magnitude
